Education

Program	Institution	Year	%
SSC (Maharashtra State Board)	Parimal Highschool, Latur	2019	84.40 %
HSC (Maharashtra State Board)	Dayanand Jr Science College, Latur	2021	97.33 %
B.E. EnTC (SPPU University)	JSPM's Jaywantrao Sawant College of Engineering , Pune	2021-25	69.4%

Key Projects

- **AI based automatic drip irrigation system**
 - Built a smart framework using Python and computer vision alongside on-field crop sensors.
 - Tracked real-time plant stress, moisture levels, and automated disease detection.
- **Temperature based automatic fan speed controller using arduino**
 - Designed an automated climate system using an Arduino microcontroller and C++.
 - Used PWM techniques to dynamically adjust motor speeds and integrated an LCD readout.
- **Supermarket Billing System:**
 - Developed a desktop application in C++ using OOPs to automate customer invoicing.
 - Implemented file-handling concepts to securely store and maintain inventory stock data.

Skills

- **Languages :** C#,C++ SQL, Python .
- **Databases :** SQL Server, MySQL.
- **Core Subjects :** OOPS, DBMS, Data Structures, Computer Networking ./
- **Soft Skills :** Strong Verbal Communication, Teamwork, Adaptability, Problem Solving.

Positions of Responsibility

- **Member of College Students Association (Dayanand Jr. Science College, Latur)**
- **Sports Team Captain | Cricket Team EnTC - 3 rd year**
 - Led cricket team, motivated teammates, resulting in improved team performance and sportsmanship.

Work History

- **Worked** as an intern with Tech Master during HTML course (Dec 2023)
 - Learned core web concepts and designed responsive layouts using HTML5 and CSS3.

Hobbies

- Playing Cricket
- Drawing and Sketching
- Photography
